

DuPont Weatherization Products 10-Year Limited Warranty

DuPont Weatherization Products 10-Year Limited Warranty for Single and Double Family Homes Under Five Stories: DuPont Weatherization systems aren't just backed by a warranty for Builders, General Contractors, and Professional Installers. They're backed by a company that for over 200 years has been dedicated to providing sustainable solutions for a better, safer and healthier life for people everywhere.

Peace of Mind: Backed by a 10-Year Limited Warranty From DuPont

The DuPont Weatherization Products 10 Year Limited Warranty offers you coverage for specified air and water holdout performance properties, where products are properly installed. This provides your customers the added assurance that the homes you build will help protect their valuable investment for years to come.

All-in-One Flexibility

The DuPont Weatherization Products 10 Year Limited Warranty for residential structures offers coverage for properly installed DuPont™ Tyvek® water-resistive barriers and DuPont Flashing Systems. And since everyone's needs are not the same, DuPont offers both a Product Warranty and a Product and Labor Warranty. We make it work for you.

Product and Labor Warranty: Install all required products according to the applicable DuPont Installation Guidelines on a single or double family home under five stories and DuPont will provide you with replacement product and reasonable labor costs in the event that the materials do not meet specified air and water hold-out criteria. If you would like assistance or training, a DuPont™ Tyvek® Specialist is available throughout the installation process.

Product Warranty: Install our products on a single or double family home under five stories and DuPont will provide you with replacement product in the event that the materials do not meet specified water hold-out criteria. If you would like assistance or training, a DuPont™ Tyvek® Specialist is available throughout the installation process.

For complete warranty details, terms and conditions, visit www.construction.tyvek.com or talk to your local DuPont™ Tyvek® Specialist to ensure you meet the requirements of the warranty coverage you want. Only DuPont may vary the terms and conditions of this warranty.
